AMENDMENT AFTER FINAL

Box AF - EXPEDITED PROCEDURE

Hon. Commissioner of Patents & Trademarks
Washington, D. C. 20231

Sir:

In response to the Office Action mailed August 13, 2001,
please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend Claim 23 as follows:

23. (Amended) The cleat defined in Claim 22 wherein said
inner face has a peripheral edge spaced from said shoe mounting
member and an anti-debris ring formed integrally with said body
member and projecting from said inner face.

R E M A R K S

Claim 23 has been amended. Since Claim 1 has been cancelled,
it is obvious that Claim 23 depends from Claim 22 and apparently
was treated as such by the Examiner.
